Kayamat Ki Nishaniyao Me Se

Hazrat Ibne Masud (rd) farmate he Nabie
Karim ﷺ ne farmaya qayamat ki
nishaniyo me se ye he ke adami masjid se
gujar jayenga magar usme do rakat namaj
nahi padhega, aur ye ke adami sirf apni
jaan pehchan ke logo ko salam karenge,
aur ye ke ek mamuli bachcha bhi budhe
adami ko sirf uski tangdasti ki wajah se
daatenga aur ye ke jo log kabhi nange
bhuke bakriya charaya karte the, vohi
unchi unchi building-o me dinge mareenge.

Kurbe Kayamat Aur Ruyate Hilal.

kayamat ke karib ki ek nishani ye he ki
chaand pehle se dekh liya jayenga, aur

pehli tarikh ke chand ko kaha jayenga, ki ye to dusri tarikh ka chand he, aur masjido ko aam gujarne ki jagah bana liya jayenga, aur achanak ki maut aam ho jayengi.

Kya Aisa Bhi Honga

Musa Bin Isa Madini (rh) se rivayat he Nabie Karim ﷺ ne farmaya us vakt tumhara kya haal honga jab tumhare navjan bad-kar ho jayenge, aur tumhari ladkiya aur aurte tamam hade paar kar jayengi, Sahaba (rd) ne arz kiya ya Rasulullah! kya aisa bhi honga, farmaya ha aur isse bhi badhkar us vakt tumhara kya haal honga jab tum na to bhalaai ka hukam karonge aur na burai se rokonge, Sahaba (rd) ne arz kiya ya Rasulullah! kya aisa bhi honga, farmaya ha aur isse bhi bad-tar, us vakt tum par kya gujrengi jab tum buraai ko bhalaai aur bhalaai ko buraai samajne lagonge.

Suraj Rojana Allah Ko Sajda Karta He

Hazrat Abu Jarr (rd) se rivayat he Nabie Karim ﷺ ne irshad farmaya jaante ho ye suraj dub kar kaha jaata he? Mene kaha Allah aur uske Rasul hi khub jante he, Nabie Karim ﷺ ne farmaya ki vo arsh ke niche jakar Allah ko sajdah karta he, fir tulu hone ki ijazat talab karta he, to usko ijazat di jaati he, aur karib he ki suraj sajdah kare aur kubul na kiya jaaye aur ijazat talab kare aur ijazat na di jaaye, aur suraj se kaha jaaye ki jaha se aaya he vaha se laut-jaa, fir suraj magrib (paschim) ki taraf se niklenga yahi matlab he Allah ke irshad ka, tarjuma - aur aftar apne thikane ki taraf chalta rehta he, (Sure Yasin /38) Nabie Karim ﷺ ne farmaya ki suraj ke therne ki jagah arsh ke niche he.
